Freezin for a Reason

Come celebrate the New Year by partaking in the bizarre ALSC tradition of having brunch on the beach and watching polar bears dare to bare their skin in the freezing cold waters of Angle Lake.

To entice you out the morning after New Year's eve, the queen of the Angle Lake Manor hosts a brunch on the Angle Lake Manor Club beach (3417 S 194th St) at 11 AM with a hot Azteca platter, Grand Central Bakery pastries, Trader Joe's gluten free and vegan pastries and Starbucks coffee.

And if that is not enough enticement, there will be a raffle for fabulous prizes from our loyal sponsors: Wild Birds Unlimited, Ultimate Solutions Hair Salon, Sage 2 Books, Towne Square Dentistry, Mini's Donuts, Wally's Chowder house, Paws in the Park, All the Best Pet Care, Centro Neighborhood Kitchen, Jim's Detail Shop, Burien Spine & Sport Rehab, Blessings Bouquet, Wally's Restaurant and Bakery Nouveau.

The best part of this fabulous event is the reason for freezin! The reason is to replenish the Friends of Tyee food bank supporting our local youth in school. Bring non-perishable food and/or cash donations and get a raffle ticket. As the school is being rebuilt, cash or check donations are preferred.

Raffle tickets are given for just showing up, for wearing a costume, for a donation, for volunteering to help and jumping in the lake. Get super creative and you may even win the best costume prize of the day.

Even if you can't attend the plunge, please consider dropping off a donation between 11:00 am until 12:30 pm on New Years Day at 3417 S. 194th St. Ring in the New Year than with generosity and good will.

HAPPY NEW YEAR 2024!!!!
