Dues and Beach Lot Wishes: More discussion on ideas of raising annual membership dues so we can have funds for the Beach Lot Swim Platform rebuild since we do not have sufficient monies to date for this. It was also suggested that we have a special fundraiser for the rebuild. Bob Simmons will research bylaws to see if this is within guidelines. Jonatan Standridge will procure more estimates for Swim Platform.

New Website: Ricki Mudd

Ricki Mudd is leading the TEAM consisting of Kevin Chuang and 2 other engineers who will be building a new website for ALM. They need 5 ALM folks to give feedback as the modules are being built. John Lucas, Jonathan Standridge, Carrie Pizzano, Dave Rankin and Bob Simmons volunteered to work with these very smart folks on the development of the website. Thank you all for this generous help to the ALM community.
